

BETTER HEALTH IN JUST A FEW HOURS

EXECUTIVE HEALTH **SUMMER EXPRESS**

Your Health, Your Summer Priority

Summer in the UAE is the perfect time to pause and prioritize your health. With longer days, heat, and a change in routine, your body deserves a thorough check-in — and Cleveland Clinic Abu Dhabi's Executive Health Program makes it easier than ever.

The **Executive Health – Summer Express** is a streamlined, **two-to-three-hour health assessment** that takes a personalized approach to your wellbeing — without taking up your day.

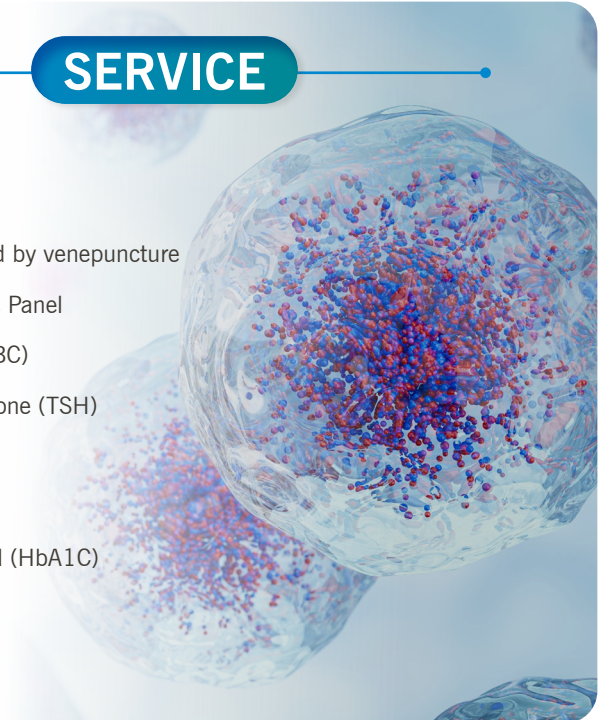

You'll have access to a dedicated physician who will assess your individual needs and walk you through your results in a **45-minute one-on-one consultation**.

If further care is needed, you'll be referred directly to our team of internationally respected specialists.
